In addition, the following items will also be required when applying on-line.

Note: the borrower will need to contact the co-signer with the confirmation number and PIN to allow the co-signer to apply. SLM will provide instructions to the co-signer on how to apply, but can not provide the confirmation number and PIN.

If a borrower or co-signer "Saves for Later" during their initial application process, in order to complete the loan application at a later time, they must go to www.slmfinancial.com and choose "Lookup Previous Decision", select loan and log in. Once logged in, select "Loans in Process", select loan. Credit decision and rates and fees will be displayed, if approved. Borrower or co-signer should select one of the first 2 options to complete their loan application.
